

Guildhall Elopement Wedding Package 2024

The Guildhall is licenced to hold wedding ceremonies and with our beautiful suite of function rooms and delightful walled garden it is a perfect setting to hold your celebration, whether it just be for the two of you or with 80 to 100 guests for the ceremony and reception and up to 200 for an evening party. We pride ourselves on making sure that you can have your perfect day, so talk to us about what you want, and we will do our best to make sure it happens. During the summer why not consider having your ceremony in the garden?

Elopement Weddings are for weddings with up to 12 guests (more can be accommodated – please ask) and take place in the Robing Room, which is just perfect for an intimate ceremony. Maybe you just want it to be the two of you – we can provide witnesses if you want to keep it really personal.

Our price includes:-

- Access to The Guildhall on your wedding day for 45 minutes before the ceremony and up to one hour afterwards.
- You can arrange for drinks to be served either in the garden, Robing Room or the Royal Observer Corps Ops Room after the service, if you wish. Please ask for details.
- Access to the Courtyard and gardens (weather permitting) for photographs.
- Volunteer witnesses can be provided if required for a small donation to Guildhall funds.

As we have a fully fitted catering kitchen you can have an intimate lunch/dinner served to your guests, please discuss this with us for a bespoke quote. ***New for 2024, serve Afternoon Tea to your guests after the ceremony in the Tudor Kitchen – catered by award winning Baileys2 you will have a delicious selection of sandwiches, cakes & pastries and can even add Prosecco as well as tea and coffee! Prices from £30 per head.***

You will need to arrange and pay for either a registrar or celebrant to officiate at your ceremony; we are always willing to help with arrangements if that would be helpful.
